

**JOB PROGRESS REPORT
RESEARCH PROJECT SEGMENT**

STATE: Territory of Guam

PROJECT NO.: E-2-1

SUB-PROJECT .: B

JOB NO.: 2

JOB TITLE: Mariana Crow Avicultural Support

PERIOD COVERED: October 1, 1997 to September 30, 1998

SUMMARY

No avicultural support was implemented under this project, pending receipt of a U.S. Fish and Wildlife Service endangered species permit to translocate Mariana crows from Guam to Rota. As requested by the Mariana Crow Recovery Team, written plans for translocation, artificial incubation, hand-rearing, and releasing Mariana crows and area-wide brown tree snake control were completed and submitted (Aguon 1998).

PROGRAM COSTS

The estimated cost for this project under E-2-1 is \$5,000.
